**Problem/reason for appeal:** MR1: In consultation with the applicant, FRN Line Item(s) have been added to FRN 1699131207 to correct a system issue. <<<<<<< MR2: The Service/Product Type for FRN Line Items 5 and 6 were modified from switch to cabling to agree with the applicant documentation.<<<<<<< MR3: 59843 - John Cline Elementary, 59844 - West Side Early Childhood Center, and 60255 - Carrie Lee Elementary have been removed from the Recipients of Service on the FRNs Item 21 and the One-time Eligible Cost of the funding request was changed from \$219,831.60 to \$86,251.80.

MR1: 59843 - John Cline Elementary, 59844 - West Side Early Childhood Center, and 60255 - Carrie Lee Elementary have been removed from the Recipients of Service on the FRNs Item 21 and the One-time Eligible Cost of the funding request was changed from \$39,173.75 to \$15,669.50.

I am unsure of why these entities were completely removed from the application. I provided a new budget worksheet as requested with the amounts divided per pupil as instructed and thought any overage was simply going to be reduced, not removed. We should have approximately \$150,000.00 remaining available to us when distributed with the budget which was provided.

Please let me know what we need to do to re-instate the remainder of the funding for this application or FCDL.

Thank you.

Respectfully submitted,

Kurt MJ DeVore
